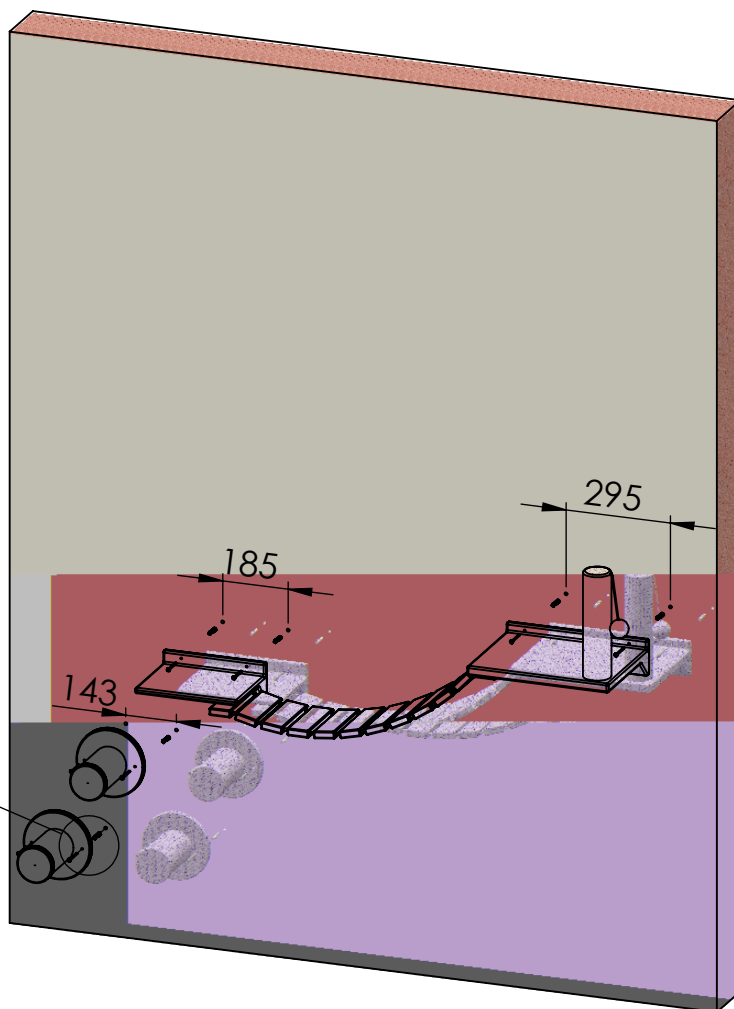

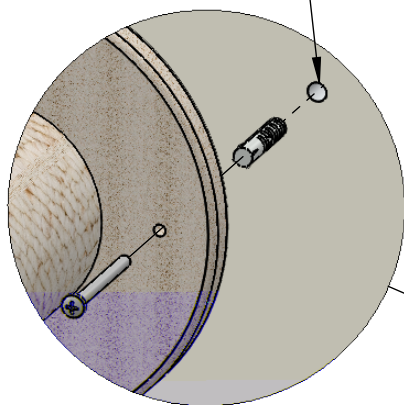

Figure 1 shows a 10x10 grid of 100 cells. Each cell contains a number from 0 to 9. The numbers are distributed across the grid, with some cells containing multiple numbers (e.g., 00, 11, 22, 33, 44, 55, 66, 77, 88, 99). The numbers are arranged in a way that suggests a pattern or sequence, but the exact pattern is not explicitly stated.
